

LED RETROFIT DOWNLIGHTS

CREE ⇄ LIGHTING

Better Light is Worth It

Retrofit recessed LED downlights are engineered to work better and last longer. They feature beautiful light that provides exceptional colour quality, making the colours in your home appear vibrant, rich & natural. Rated to last more than 45 years (50,000 hours), Cree Lighting LED recessed downlights are dimmable and backed by a worry-free 100% performance satisfaction guarantee. Because when a downlight is designed to be in your home for decades, better light is worth it.

SERIES FEATURES

- Exceptional 90+ CRI colour consistency
- Exceeds ENERGY STAR® rated lifetime requirements for most products, up to 50,000 hours
- Meets CEC Title 20/Title 24 JA-8 performance requirements
- Wet rated for use in more applications
- Higher lumen lamps offer more light for higher ceilings
- Durable white metal housing
- Smooth, superior dimmability
- Backed by 10-year 100% satisfaction guarantee

All downlights are offered in single cartons.

* See creelighting-canada.com/warranty for details.
